The arrangements already ordered viz that of placing Mr K. Krishna Rao Vice. Principal in charge of the Training College were ~~cancelled~~ intended only for the vacation. The D.G. has now sent up proposals for posting Mr Srinarasimhaiya in charge of the College as a permanent measure on the presumption that Dr. Paul Chinnappa

Serial No.

will continue as Circle Inspector. Among the senior headmasters Mr. Narasimhaiya is the most qualified.

One question that arises for consideration in this case is what pay should be given to Mr. Sri Narasimhaiya as Principal of the Training College. Mr. Narasimhaiya is now drawing Rs 300 in 200-20-300 and is proposed to be promoted to Rs 350. If therefore he continues as Headmaster Bangalore Collegiate High School he would draw Rs 350 plus Rs 50 house-rent or Rs 400 in all. But the pay of the Principal Training College is only Rs 350. The D.G however recommends that Mr. Narasimhaiya may be given a pay of Rs 400. If he is given a pay of Rs 400 instead of an allowance of Rs 50 in addition to his grade pay of Rs 350 he would supersede his senior Mr. B. Vasudeva Rao M.A. who is proposed for being posted as Headmaster Collegiate High School Bangalore. If it is considered that Mr. Vasudeva Rao should not be superseded then Mr. Srinarasimhaiya may perhaps be given an allowance of Rs 50 for of being in charge of the Training College in addition to his grade pay of Rs 350

Submitted to His Highness.

The appointment of Dr. Paul Chinnappa, Principal of the Training College, Mysore, as acting Circle Inspector has created a vacancy in the Principalship and the Inspector General of Education has made the following recommendations to fill up the post:--

(a) Mr. Sri Narasimhaiya, Headmaster, Bangalore Collegiate High School, to act as Principal of the Training College;

(b) Mr. Sultan Mohyideen who has just returned from England after completing a course of studies at Oxford to be Vice-Principal of the Training College on Rs.200-20-300;

(c) Mr. K. Krishna Rao, the present Vice-Principal to be transferred as Headmaster.

2. Mr. Sultan Mohyideen has had a very successful career at Oxford. During his interview with me he made representations that he should be given a good position and salary corresponding to his attainments. Sir Michael Sadler has given him an excellent certificate in which he states that Mr. Sultan Mohyideen is well qualified for a post on the staff of a University where he would have an opportunity of pursuing his researches and of training students for the teaching profession. As however there is no teaching Faculty in the University Mr. Sultan Mohyideen's services can best be utilised in the Training College at Mysore Having regard however to his previous salary in the department before he went to England, viz., Rs.175/- and to the strong recommendation of the Inspector General of Education in favour of Mr. Sri Narasimhaiya the present Headmaster of the Bangalore Collegiate High School who is very considerably his senior in

service in the Education Department, it was felt that it was not possible to offer Mr. Sultan Mohyideen anything more than the Vice-Principalship of the Training College at the maximum salary of the post viz., Rs.300. The Inspector General of Education was asked to ascertain whether Mr. Sultan Mohyideen would be agreeable to take up the post on these terms and he has now forwarded Mr. Sultan Mohyideen's letter of the 11th instant in which he says that by accepting this post and salary he will be put to great financial embarrassment as he has to repay to Government the loan of £635 given to him for his foreign studies, besides meeting private liabilities. He therefore asked that if he is to be given only the Vice-Principalship on Rs.300, his loan scholarship may be regarded as a departmental deputation and the loan excused. The Inspector General of Education recommends that this may be sanctioned at least in part.

3. The matter was considered in Council on the 14th instant when the following resolution was recorded:--

"Mr. Sri Narasimhaiya may be appointed as Principal of the Training College and Mr. Sultan Mohyideen Vice-Principal on the maximum pay of the grade, viz., Rs.300".

4. Mr. Sultan Mohideen's representation about the loan being written off, was reserved for separate examination and further consideration in Council after consulting the Finance Department. Mr. Mohyideen may be given an assurance that his case would receive sympathetic consideration. We cannot afford to lose

18

his services, nor allow him to remain in a position of great financial difficulties.

5. The recommendation of the Council may be graciously approved.

The amount repayable by Mr. Sultan Mohiyuddin is very large and at Rs.15 per £ it comes to Rs.9,525. From what he states in his letter of the 11th September 1922, he does not appear to be in a position to spare any share of his present pay o f Rs.300 for discharging the loan. In view of this and of the promise of sympathetic consideration given to him, writing off of a part of the loan is apparently unavoidable. I would propose that the recovery of half the loan may be waived. If he is unable to pay, with his present emoluments, any sum monthly towards the liquidation of the remaining half, recoveries against ~~the remaining half~~ it may be deferred until his emoluments exceed Rs.300. The increase over that sum limited to Rs.1,000 per annum as the maximum may be required to be paid for discharging the balance of the loan.

In making the above proposals I have been influenced by the following considerations:-

(1) the undesirability, as an inconvenient precedent.

Serial No.

precedent, of writing off the whole amount,

(2) enforcing recovery when the debtor may reasonably be expected to have the means of repaying the loan,

& (3) desirability of retaining in service an officer who is stated to possess qualifications of value to the department.

However improbable, the contingency of resigning service, if the whole amount is written off, can not be overlooked.

In paragraph 4 of my submission note dated the 20th September 1922 on the subject of acting arrangements consequent on Dr. Paul Chinnappa's appointment as Circle Inspector, I mentioned that the representation of Mr. Sultan Mohiyuddin who was appointed Vice-Principal of the Training College, Mysore, about the writing off of his loan would be reserved for separate examination and further consideration in Council after consulting the Finance Department. The question has since been further examined and the Financial Secretary has suggested that the recovery of half the loan advanced to Mr. Sultan Mohiyuddin may be waived and that recoveries towards the other half may be deferred until his emoluments exceed Rs.300, the increase over that sum limited to Rs. 100 per annum being paid for the discharge of the loan. The sum to be written off amounts to Rs. 4,762-8-0 and the recovery of the balance will be spread over a period of about 5 years or more.

The proposal is a generous one and is agreed to by both the Members of Council. This may graciously be approved.

BANGALORE

25th May 1922

My dear Matthan,

Please refer to your D.O. letter No.6827/C.B.216-21-3 dated 4th May 1922 regarding arrangements for carrying on the work of the Training College during the absence of Dr. Paul Chinnappa on other duty. Presuming that the posts of Circle Inspectors will not be reduced and that Dr. Paul Chinnappa will continue as Circle Inspector even after the return of Mr. Dasappa from leave, I would propose the following arrangements:-

The Training College has got a Graduates' Training Class and we are sending Honours men and M.A.'s for training in the College. The Principal should therefore be a person of sufficient academical standing to secure their regard and respect. ~~And~~ Of the men in service I think of no better person than Mr. K. Srinarasimhaiya, M.A., L.T., Head Master, Government Collegiate High School, Bangalore, fitted for the post. He is at present drawing Rs.300 in grade Rs.200-20-300 and has been proposed to be promoted to Rs.350 in this office No.C.7294/21-22 dated 26th April 1922. Dr.Chinnappa was drawing Rs.400 as Principal of the Training College, though the pay of the post is Rs.350. and I strongly recommend that Mr. Srinara simhaiya may also be given the same pay.

Mr. B. Vasudeva Rao, M.A., Head Master, Government Collegiate High School, Shimoga may be transferred as Head Master of the Govt. Collegiate High School, Bangalore in place of Mr. K.Srinarasimhaiya, and Mr. P.V.Narasinga Rao, M A., (Hon) one of the Educational Probationers on Rs.150 who is now an Assistant Master in the Shimoga High School may be appointed to act as Head Master of the School on his own pay plus an acting allowance of Rs.25 per mensem. There are three persons above him in grade Rs.150, viz., Messrs. S. Srinivasa

Rao, S.T. Raghavachar and M.A. Tirumalachar, but I do not ~~consider~~ think that any of these can be considered to be of sufficient merit to be placed in charge of a Collegiate High School straight away. When Mr. Sultan Mohidin comes back he may be sent as Vice Principal of the Training College and Mr. K. Krishna Rao, B.A., L.T., the present Vice Principal may be posted as the Head Master of the Shimoga High School. Till then the acting appointment of Mr. P.V. Narasinga Rao may continue.

Yours sincerely,

C. Balasundaram Jr.

DEPARTMENT OF EDUCATION
GOVERNMENT OF MYSORE.

CONFIDENTIAL.

D. O. No. C. 1105/22-23.

CB-532

BANGALORE

10th August 1922.

My dear Matthan,

Please refer to my confidential D.O. letter No.C 6712/21-22 dated 25th May 1922 regarding certain arrangements in the Training College. Now that Mr. Sultan Mohidin has returned from his course of studies in England, the proposals require some slight modifications.

As proposed in my previous letter I recommend that Mr. K. Srinarasimhaiya, M.A., L.T., may be appointed as Principal of the Training College on Rs.400 per mensem and Mr. Sultan Mohidin may be posted as Vice Principal of the College in grade Rs.200-20-300. Mr. B. Vasudeva Rao M.A., Head Master, Government Collegiate High School, Shimoga may be posted as Head Master, Government Collegiate High School, Bangalore and Mr. K. Sivarajakrishna Iyer, B A., Head Master, Government High School, Chikballapur as Head Master of the Collegiate High School, Shimoga. Mr. K. Krishna Rao, B.A., L.T., now Vice Principal of the Training College may be sent to Chikballapur High School as Head Master.

In regard to the question of pay that arises, Mr. Srinarasimhaiya is junior to Messrs. B. Vasudeva Rao, Mahomed Beig and B. Tirumalachar. But he is undoubtedly more suited for the Principalship of the Training College than any of these officers and he may therefore be preferred.

As regards Mr. Sultan Mohidin, his permanent pay is Rs.150 plus Rs.25, Personal allowance, and he has recently been promoted to Rs.175, sub-pro-tem. The pay of the Vice Principal is fixed at Rs.200-20-300 and if Mr. Sultan Mohidin is given this grade he will supersede a certain number of officers whose names are given in the margin

1. Mr. K. Narayana Rao, B.A.,
2. Mr. C. Subba Rao, B.A.,
3. Mr. M. Venkataramaiya, B.A.
4. Mr. H. Krishnachar, B.A.
5. Mr. Pir Saheb Miyan, B.A.
6. Mr. Ahmed Hussain
7. Mr. G. Anantha Rao, B.A.
8. Mr. K.T.Sudarsaniengar, B.A
9. Mr. S. Srinivasa Rao, M.A.,L.T.

margin. He has done exceedingly well during his deputation for study in England and I have no doubt he deserves higher remuneration than what he was getting till now. Some of these officers among whom I may mention Mr. Pir Saheb Miyan, Mr.K.T.Sudarsana Iyengar and Mr. S. Srinivasa Rao, M.A., L.T., are officers of more than average ability whom I should not feel justified in superseding. But since the pay of the Vice Principal is fixed at Rs.200-20-300, Mr. Sultan Mohidin may be given that grade. I may mention that Dr. Paul Chinnappa when he returned from America was similarly posted as Vice Principal of the Training College and started on Rs.200. I do not know whether Mr. Sultan Mohidin will be satisfied with this emolument and if Government are pleased to show him any concession there would be no objection to give him any advance increments in the grade of Rs.200-20-300 as this will not involve his superseding people already in the grade. I may however mention that if any such special concession is shown to Mr. Sultan Mohidin a similar demand on similar grounds might be made by Miss Lazarus who has also recently returned from England.

Separate proposals will be submitted regarding the grade to icers.

Yours sincerely,

Dear Sir,

I certify that the enclosed report by Mr. S. Muhiyuddin is a correct statement of his work and progress in the Education Department of the University of Leeds.

Yours faithfully,

John Strong

The Educational Adviser for Indian Students,
London.

The University,

Leeds.

Mr. M.S. Muhiyuddin has been a graduate student of the University of Leeds in the Department of Education for two years 1920-22.

His work has been excellent and full of promise.

He is well qualified for a post on the staff of a University where he would have an opportunity of pursuing his researches and of training students for the teaching profession. His experience in schools, both in India and in England, and his proved ability as a teacher enhance his personal qualifications for a teaching post in a University or for appointment as Inspector of Schools.

Mr. Muhiyuddin's work in the University has given complete satisfaction to the authorities.

M.E. Sadler,

Vice Chancellor of the

University of Leeds.

Professor of Education:

John Strong. C.B.E. M.A. LL.D.

Department of Education,

The University, Leeds.

Mr. M.S. Muhiyuddin entered the Education Department of the University of Leeds in October 1920. During the session 1920-1921 he took the full course in Education, and after examination was awarded the Diploma, being the only student of his year to gain distinction. In every part of his studies his tutors were impressed by the excellence of his work. He combined a wide range of reading with breadth of view; he possesses special aptitude for the more philosophical aspects of the theory of education. His course comprised lectures in the History and Theory of Education, the Principles of Teaching, Experimental Education (with laboratory), and Phonetics. In his essays and tutorial discussions he showed insight and power.

His practical training was taken in one of the local High Schools where he soon established sympathetic and friendly relations with the boys under his charge. He secured their interest and co-operation by his enthusiasm and pleasant gentlemanly manner. His command of English is good, and his powers of description and interpretation such as would have been commendable in an Englishman.

During the session 1921-22 Mr. Muhiyuddin pursued a course of advanced study and independent investigation under the direction of Dr. Wynn Jones, Lecturer in Experimental Education, and myself, and was granted the degree of Master of Education for a thesis on "The Experimental Study of Emotion." This thesis included an extensive study of original papers on the subject, and gave, with critical discussion, the results of numerous experiments with boys of elementary school age. It revealed considerable aptitude for research. Mr. Muhiyuddin's capacity is such that he would be well advised to continue his researches in education with a view to qualifying for the degree of Doctor.

During his stay in England Mr. Muhiyuddin has had opportunities of visiting schools and institutions of various types in different parts of the country and has acquired considerable insight into our educational system and modern experimental work.

I have formed a high opinion of his character, industry, and ability. I am confident that on his return to India he will do excellent work. He seems to me to be exceptionally well qualified for a post as University Lecturer in Education, or as a Government Inspector of Schools in India.
